# Arhine Consultancy Solutions

Arhine Solutions provides organisations with a high quality solutions – orientated consultancy service. Our consultants have experience of supporting organisations across the private, public and sporting sectors.

**Our consultants will:**

- > Take the time to understand your needs by carefully analysing where you are at the present moment and where you want to be in the future
- > Help you identify improvements that can be made and we quantify the benefits to you of making those improvements
- > Work with you to implement the agreed solutions. We are not here to tell you what to do but we will be the catalyst that will help you grow and make the changes you want to make

## Organisational Development

Our consultants will address the overall health of your organisation by looking at the entire system from the point of view of the people who work within it. OD covers all the activities that are directed towards building and maintaining the health of the organisation, with the ultimate aim of improving overall business performance.

We can help your organisation in the following areas:

- > Vision and Strategy
- > Corporate Values
- > Structural Analysis/Change
- > Change Management
- > Cultural Analysis/Change
- > Workforce Development/L&D Audit
- > IT Infrastructure and Cyber Security

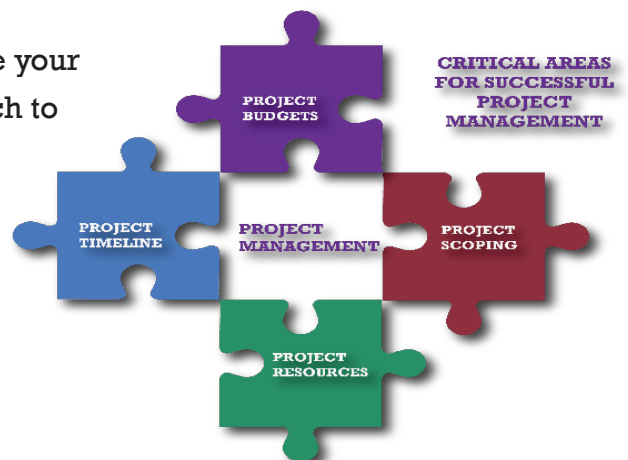

## Project Management

We offer comprehensive, client-focused project management services delivered by experienced Project Managers and teams.

Our Project Managers and teams take a structured approach to project management that conforms to best practice (Prince2®) and minimises the risk of failure. We will work with you to establish your project brief, timeline and budget, determine governance and reporting requirements and monitor, manage and troubleshoot throughout the project lifecycle.

Our PRINCE 2 project management team will oversee your project from start to finish offering a creative approach to problem solving and design management. Whether you have a short-term project and need a project manager, or a long-term project we will provide the resources you need to see your project through to fruition.

**For more information and to see how we can help please contact us and talk to one of our OD consultants or Project Managers.**
