£1.46m - £3.14m is the average cost to a large organisation of its worst security breach of the year

The threat of cyber-crime is on the rise.

Organisations need to have not only the appropriate policies and procedures, but more importantly the correct workforce behaviours in place to help prevent and manage cyber security challenges.

Arhine Solutions has partnered with Modulus Management, IT and Cyber Security Specialists, to provide a comprehensive cyber security training and consultancy service tailored to meet the needs of your organisation.

£75k - £311k is the average cost to a small business of its worst security breach of the year

THE ABC OF CYBER SECURITY

AWARENESS

BEHAVIOUR

CULTURE

Our service offering has been designed to raise awareness, change behaviours and create a culture of cyber security. The outcome can help develop informed workforce behaviours that can lead to prevention of unintentional compromise or disclosure of sensitive information and computing systems.
